Re: In the Matter of Administrative Order;  
Docket No. CWA-08-2001-52

Dear Ms. Power:

On September 27, 2001, the U.S. Environmental Protection Agency (EPA) issued an Administrative Order (Docket Number CWA-08-2001-52) to Montrose Plumbing & Heating Company. This Order required Montrose Plumbing & Heating Company to comply with all provisions of 40 CFR part 503, the standards for use or disposal of sewage sludge.

Montrose Plumbing & Heating Company has complied with all provisions of the Order. Therefore, for administrative purposes, the file on the Order (Docket Number CWA-08-2001-52) is considered closed as of the date of this letter.

Please note that Montrose Plumbing & Heating Company is still required to comply with all requirements of 40 CFR part 503. EPA Region 8 no longer needs to receive copies of Montrose Plumbing & Heating Company's quarterly compliance reports.

If you have any questions, the most knowledgeable person on my staff regarding this letter is Patricia Ochoa, Environmental Engineer, who can be reached at (303) 312-6198.

Sincerely,
